Course Description

Advanced Spanish Language II is designed for students who demonstrate mastery of intermediate-level vocabulary and grammar in conversational Spanish and who show a capacity for excelling at advanced levels. The primary goal is help the student acquire communication skills that will permit the student to carry on spontaneous and fluid conversations with native Spanish speakers centered on topics and concepts of advanced complexity in diverse contexts. The course seeks to develop conversational language skills through focused tasks, lessons on the use of grammatical structures, exercises for reading and listening comprehension, a great deal of interaction and conversation, and activities that are engaging and interactive. Each classroom period centers on a discussion theme, and lessons and activities derive from this. Lessons and activities may be conducted inside or outside the classroom, and can include interviews, dramatizing real or imaginary situations, and exploring language and culture through different media, such as newspapers, literature, cinema, music, and legends. Homework assignments include exercises from the Costa Rican-authored novel Única Mirando al Mar, the CPI workbook (Tareas #3), or internet research, for instance, to prepare oral presentations.
